The **Nebraska Select Basketball program** will be holding an evaluative tryout at **Sutton High School on April 11, 2021** for players wanting to participate in Summer basketball. This tryout is for girls who are **current 10th and 11th grade student-athletes**. The tryout will address the major aspects of the game including footwork, shooting, ball handling, passing, post play, defensive and offensive techniques which are all important when playing in high level Spring and Summer NCAA Live Certified Basketball Events.

Players may **begin checking in at 3:30 pm**, with the tryout starting at **4:00 pm and concluding around 6:00 pm**. Every participant will be given a required ID number to wear. All prospective student-athletes will go thru a series of skill development drills, followed by game type scrimmages. During the tryout a parent meeting will be conducted to help answer all questions concerning our program, schedules and player fees. The number one goal of our program is to provide a positive environment where every player receives expert instruction while at the same time, enjoying the game of basketball. Players will be placed on team based on their playing ability and skill level. We will most likely field more than one team per age group.
